AFFIDAVIT

re: Crowe-Horwath LLP Consulting Amendment

I, James Dahl, Director of Management Information Services, being duly sworn on oath do hereby state:

1. The Technical Services Division requires additional consulting services for contract Public Safety ERP contract negotiations.
2. The MIS Division requires additional ERP consulting services for community related system solutions.
3. As the contracted consulting company that has facilitated the ERP project thus far, Crowe-Horwath LLP is best suited to complete these tasks.
4. Bringing another consulting company up to speed on the ERP project is not a viable solution.
5. Crowe-Horwath LLP has submitted a quote in the amount of \$65,000.00 to complete the aforementioned work.
6. In order to cover the proposed expense, the Technical Services has transferred \$26,000.00 into account 101-1233-419.32-34, and the MIS Division has transferred \$39,000.00 into account 101-1232-419.32-20.
7. Therefore, the product/service desired is provided most efficiently and economically by Crowe-Horwath LLP, and failure to act promptly may likely result in a substantial increase in cost thereof to be borne by the city.

Further affiant sayeth not.

James Dahl, Director
Management Information Services
