Please list volunteer community activities for the past decade.

Did 30+ hours of Care of my special needs cousin and 10 hours serving community, examples include mowing lawn's, shoveling snow, picking trash up, walk dogs, etc

Please write a brief statement concerning your interest in this board and your willingness to serve as a member.

I am very passionate about making a impact in my community because I feel like to really make a change you have to start with the people around you. As I helped neighbors mow their lawn to taking care of my special needs cousin I have come to the realization that, little actions can lead to big change all around. I am excited about the opportunity to share the voice of the youth in Aurora and contribute ideas on how to unite our community by working with others. I am ready to show up and deliver!
