Zoning Map (1:5,000):

The map displays a residential neighborhood with several streets: Duke Pkwy, Ferry Rd, and Meadow Rd. A large, irregularly shaped lot is highlighted with a red outline, indicating it is the 'Subject Property'. This lot is situated between Duke Pkwy and Ferry Rd, and between Meadow Rd and an unnamed road to the west. The lot contains two points labeled '2810'. Surrounding the subject property are various other lots, some with addresses: 3883, 2850, 2863, 2805, 4200, and 4000. A legend in the bottom right corner identifies the red outline as the 'Subject Property' and includes the Aurora Planning & Zoning Division logo and a north arrow.
