20. Our ability to erect or assemble furnishings is dependent upon jurisdictional agreements between trade unions at the job site. If trade regulations require employing tradesmen to complete the installation, the additional cost will be paid by the Customer.
21. We agree to completely install the furnishings according to the final floor plan. Any changes to the final plan will be provided prior to the installation date. Once the installation has begun, the Customer agrees to assume any expenses incurred by us due to changes made at your request or for any reason beyond our control.
