

Te'yonna Bailey

SKILLS

I'm good at communication and listening to others and what they have to say or talk about. I enjoy putting myself in others' shoes to get what they are truly experiencing instead of visualizing their story in the 3rd person. I'm good at math and science and understanding the "behind the scenes" of the problems I'm working with to understand it.

EXPERIENCE

- No experience

EDUCATION

North Aurora, 

August 2022 - May 2026

AWARDS

Placed top 10 in Illinois state HOSA competition.

Activities in School

I am in a club called BSU meaning Black Student Union and I participate in going to the Marie Wilkins Food Pantry every 3 weeks.
