Please tell us about yourself and why you want to serve.

Have you ever been employed by a law enforcement agency, in a sworn or unsworn capacity? If yes, please identify the agency and provide your dates of service with that agency.

My name is Lisa McClellan and my husband, John, and I have lived in Aurora for almost 30 years. We raised our four children in the same home we built in 1991 and continue to be involved in the community. I am the Chief Executive Officer of Wheatland Athletic Association, a 47-year-old non-profit organization, located on Liberty Street in Aurora. Our organization serves thousands of Aurora residents annually. My passion for the environment began at a very young age and continues to shape how I live and learn. I became a Climate Reality Leader two years ago and I am seeking ways to be more involved in local policy, communication and action. Serving as a member of the Mayor's Sustainable Aurora Advisory Board would be an opportunity to work with other Aurora residents and help guide our City to a more sustainable future. I feel that it is imperative that leaders from our community get involved now to encourage people from all walks of life to come together and brainstorm creative ways to positively impact our local and global environment and climate. I am asking for the opportunity to join as a member of the Mayor's Sustainable Aurora Advisory Board so I can best serve and be a resource for our community.
