TO: Mayor Richard C. Irvin

FROM: Steve Andras, P.E., Airport Manager

DATE: April 17, 2024

SUBJECT:

A resolution authorizing the Mayor and City Clerk to execute an Agency Agreement with the State of Illinois Department of Transportation Division of Aeronautics and a consultant agreement between Crawford, Murphy and Tilly, Inc. and the City of Aurora for Construction Phase Engineering Services in the not-to-exceed amount of \$152,000 for the Rehabilitate Auto Parking Lots and Entrance Road Project (ARR-4544) located at the Aurora Municipal Airport.

PURPOSE:

To obtain approval to enter into a Construction Phase Engineering Agreement with Crawford, Murphy and Tilly, Inc. as well as an Agency Agreement with the Illinois Department of Transportation Division of Aeronautics.

BACKGROUND:

Land side airport roads and auto parking lots are non-revenue producing and therefore ineligible for Airport Improvement Program (AIP) funding. However, under the Rebuild Illinois Airports Capital Funding Bill, ARR was successful in receiving funding for the much needed Rehabilitation of the airport's deteriorating Auto Parking Lots and Entrance Road.

Crawford, Murphy and Tilly, Inc. will be providing construction phase engineering services for this project as they have been selected as the City of Aurora's aviation engineering consultant under resolution R23-083.

DISCUSSION:

The total cost for this project is estimated to be \$1,611,093. The City's Local Share is \$306,093, approximately 19% of the total cost. Funds for this project have been set aside in the airport's 2024 budget under CIP D055 in account number 504-4454-433.73-99.

IMPACT STATEMENT:

This project should have no adverse impact to the City of Aurora and should reduce the ongoing cost of maintaining the airport infrastructure, etc.

RECOMMENDATIONS:

We respectfully request that you forward this agreement to the Building, Zoning and Economic Development Committee for their review and favorable recommendation.

cc: Building, Zoning and Economic Development Committee

CITY OF AURORA, ILLINOIS

RESOLUTION NO. _____
DATE OF PASSAGE _____

A Resolution authorizing the Mayor and City Clerk to execute an Agency Agreement with the State of Illinois Department of Transportation, Division of Aeronautics and a not-to-exceed agreement for Construction Phase Engineering Services in the amount of \$152,000 with Crawford, Murphy and Tilly, Inc. for the Rehabilitate Auto Parking Lots and Entrance Road Project (ARR 4544) located at the Aurora Municipal Airport.

WHEREAS, the City of Aurora has a population of more than 25,000 persons and is, therefore, a home rule unit under subsection (a) of Section 6 of Article VII of the Illinois Constitution of 1970; and

WHEREAS, subject to said Section, a home rule unit may exercise any power and perform any function pertaining to its government and affairs for the protection of the public health, safety, morals, and welfare; and

WHEREAS, The City of Aurora owns, operates and maintains the Aurora Municipal Airport; and

WHEREAS, the City of Aurora desires to Rehabilitate the Auto Parking Lots and Entrance Road; and

WHEREAS, Crawford, Murphy and Tilly, Inc. has been selected under resolution R23-083 as the City of Aurora's aviation engineering consultant; and

WHEREAS, the Rehabilitate Auto Parking Lots and Entrance Road Project will be funded by State and Local funds with the City of Aurora's local share being \$306,093 or approximately 19% of the total project cost; and

WHEREAS, the 2024 budget provides funding for this project under CIP D055 in account no. 504-4454-433.73-99)

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Aurora, Illinois, as follows: that the Mayor and City Clerk are hereby authorized and directed to execute the Agency Agreement with the State of Illinois Department of Transportation, Division of Aeronautics and the not-to-exceed agreement in the amount of \$152,000 for Construction Phase Engineering Services with Crawford Murphy and Tilly, Inc. for the Rehabilitate Auto Parking Lots and Entrance Road Project located at the Aurora Municipal Airport.
