**TO:** Mayor Richard C. Irvin and City Council

**FROM:** Tim Weidner, P.E., Engineering Coordinator

**DATE:** November 30, 2023

**SUBJECT:**

A Resolution authorizing the appropriation and expenditure of MFT funds for snow removal operations in 2024 in an amount up to \$1,320,000.00.

**PURPOSE:**

To execute the Illinois Department of Transportation (IDOT) resolution necessary to appropriate Motor Fuel Tax (MFT) funds for the purchase of sodium chloride (rock salt) and liquid calcium chloride (pre-wetting agent) for 2024 (MFT Section No. 24-00000-00-GM).

**BACKGROUND:**

The salt and calcium chloride to be used for snow removal will be purchased through the State's Central Management Services Office and the DuPage County Procurement Services Division; both entities secured multiple bids through a publicly advertised sealed process, establishing competitive unit prices.

**DISCUSSION:**

Prior to any expenditure of MFT funds, the State must review the proposed expenditure and authorize the use of MFT funds. The \$1,320,000.00 is an estimate for what will be needed in 2024; however, the actual expenditure is dependent upon the severity of the winter and the number of events that require the use of these chemicals. Any unused funds from this expenditure will be

returned to the City's unobligated MFT balance at the end of 2024.

The 2024 budget is anticipated to include \$1,320,000.00 for snow removal materials. This includes \$1,300,000.00 for sodium chloride (rock salt) and \$20,000.00 for liquid calcium chloride (pre-wetting agent), which is in line with past years.

These expenditures will be within account 203-4060-431.65-32 (Salt) and 203-4060-431.65-33 (Calcium Chloride).

Exhibit 'A' is the Resolution for Maintenance Under the Illinois Highway Code required by IDOT to be passed by the City Council. Exhibit 'B' is the Estimate of Maintenance Costs form which is a required submittal with the resolution.

**IMPACT STATEMENT:**

Approval of this resolution will provide the City with the necessary materials to perform proper snow and ice control on city streets during the 2024 calendar year.

**RECOMMENDATIONS:**

Please forward this resolution to the Finance Committee for their review and recommendation.
