SUBJECT:

A Resolution authorizing execution of a First Amendment to the Memorandum of Understanding between the Cities for Financial Empowerment Fund, Inc., and the City of Aurora to remain an FEC Expert Partner.

PURPOSE:

The Aurora FEC became an FEC Expert Partner in 2022 and will continue to operate an FEC as a high-quality public service, actively contribute to the national FEC learning community (“FEC Public Learning Community”), receive technical assistance resources, and continue to use the Cities for Financial Empowerment Fund (“the CFE Fund”) central FEC database at no-cost. The First Amendment allows the Aurora Financial Empowerment Center (“Aurora FEC”) to remain an FEC Expert Partner (“FEC Expert Partner”) until October 31, 2025.

BACKGROUND:

In 2019, the City of Aurora applied for and received the Financial Empowerment Center Implementation Grant funds from the CFE Fund as a match grant to support municipal engagement to improve the financial stability of low- and moderate-income households by embedding financial

empowerment strategies into local government infrastructure. The Neighbor Project (TNP) was hired as the servicing contractors for the grant agreement with CFE. The Aurora FEC became a part of a growing network of FECs embedded in local governments across the country, committed to providing free, one-to-one financial counseling, delivered by professionally trained counselors, to low- and moderate-income residents.

The Aurora FEC was successful in its two-year pilot phase. Thereafter, the City of Aurora extended the contract with The Neighbor Project for up to two annual extensions from 2022-2024 to continue to provide financial counseling and financial literacy to the community.

The CFE Fund has supported and continues to support the Aurora FEC through technical assistance resources, access to the National FEC learning community, and licenses to use the CFE Fund's central FEC database. Important data from this database is regularly used to update the City of Aurora leadership team, as well as community and fiscal partners, of the progress the Aurora FEC is making in delivering its services to the community.

DISCUSSION:

The success and sustainability of the FEC has led to the City of Aurora authorizing a new contract with The Neighbor Project to continue providing financial counseling and literacy services. The Aurora FEC counselors have steadily increased their caseloads, providing counseling services to low- and moderate-income residents, and referring clients to partner agency services. Since implementation, the Aurora FEC served 2,576 clients, had 2,074 outcomes, helped clients increase savings by more than \$968,935 and reduce debt by over \$2,803,782.

In response to a growing need of counseling services, especially for residents looking to secure housing or afford growing rental costs, the Aurora FEC expanded its services to include an additional counselor and a part-time administrative assistant through The Neighbor Project, while also providing additional financial literacy programming. Direct costs for The Financial Empowerment Center are mainly paid by grants, in-kind donations, and donors, making it increasingly financially sustainable.

As the Aurora FEC expands, it is important to continue to receive support from the national organization and to remain involved in a national learning community. The Aurora FEC continues to receive recommendations for continued success from partnering cities and contributes to the success of other pilot FECs nationwide.

IMPACT STATEMENT:

The proposed resolution presents an opportunity to continue receiving no-cost support from the CFE Fund through technical assistance resources, access to the FEC Public Learning Community, licenses to use the CFE Fund's central FEC database, and designates the Aurora FEC as an FEC Expert Partner to continue to provide FEC services as part of the CFE Fund's national FEC Public platform. Data generated from the database will enable City of Aurora staff to develop localized reports detailing the impact that financial counseling is having on improving local household financial stability.

RECOMMENDATIONS:

Approval is requested to authorize execution of a First Amendment to the Memorandum of Understanding between the Cities for Financial Empowerment Fund, Inc. and the City of Aurora.
