SUBJECT:

A Resolution Approving a Final Plan for property located at 110 Cross Street for a Restaurant/Food and Beverage Services (2500) Use and Multi-Family Dwelling (1140) Use (JH Real Estate Partners, LLC - 23-0637/ AU21/4-23.343 - CUPD/Fpn - JM - Ward 4)

PURPOSE:

The Petitioner JH Real Estate Partners, LLC is requesting approval of a Final Plan for 110 Cross Street for a Restaurant/Food and Beverage Services (2500) Use and Multi-Family Dwelling (1140) Use which includes adaptively reusing the historic building for a brewery on the first floor with residential apartments above.

BACKGROUND:

The Subject Property is currently vacant with M-1 Manufacturing - Limited zoning. The Petitioner is requesting approval of a Final Plan for 110 Cross Street for a Restaurant/Food and Beverage Services (2500) Use and Multi-Family Dwelling (1140) Use. The details of the request include a Final Plan for an approximate 46-seat brewery with 56 seats in an outdoor patio and 15 apartments above.

The site will be improved with a fenced outdoor patio area on the east elevation, a new exterior staircase on the east elevation, new seeded area all along Cross Street, and a ramp in the rear for accessibility. The site will be accessed from a curb cut on Cross Street and River Street and will include a new parking lot with 13 spaces. The second building on the site, 213 S. River Street, will remain in its current use and configuration.

The building is a contributing resource to the Middle Avenue National Register Historic District. As the developer is pursuing Historic Preservation Tax Credits, the main façade had to remain mostly unchanged and the changes to the elevations still had to retain the historic character of the industrial building.

Concurrently with this proposal, the Petitioner is requesting the Establishment of a Conditional Use Planned Development, and to change the underlying zoning district from M-1 Manufacturing - Limited District to DF Downtown Fringe. The details of the request include changing the zoning to DF Downtown Fringe, which would allow apartments above the first-story, and a Plan Description to allow the brewery on the first floor of 110 Cross Street and retain the coffee roasting business at 213 S. River Street. The Plan Description also provides other variances to address the unique nature of rehabbing historic buildings, such as parking.

DISCUSSION:

Staff has reviewed the Final Plan Resolution petition and have sent comments back to the petitioner on those submittals. The petitioner has made the requested revisions to these documents and they now meet the applicable codes and ordinances.

POLICIES AND GUIDELINES:

The Staff's Evaluation and Recommendation are based on the following Physical Development Policies:

- 11.1 (5) To guide and promote development to areas where public utilities, public roads and municipal services are either available or planned.
- 11.1 (3) To encourage new development contiguous to existing development.
- 12.0 To plan and provide for the growth of the city through the integration of land use patterns and functions that promotes complementary interactions between different land use components.
- 14.1 (3) To protect, preserve and restore the historical and architectural heritage of the City.
- 20.0 To insure the provision of decent housing and a quality living environment for every resident of Aurora
- 23.1 (7) To encourage that adaptive reuse of commercial and industrial structures to housing where such conversions are economically feasible, supportive of revitalization efforts, and consistent with the land use plan.

RECOMMENDATIONS:

The Planning and Zoning Commission recommended **CONDITIONAL APPROVAL** of the A Resolution Approving a Final Plan for property located at 110 Cross Street for a Restaurant/Food and Beverage Services (2500) Use and Multi-Family Dwelling (1140) Use, with the following condition:

1. That all Engineering Staff comments are addressed prior to building permit issuance.
