**SUBJECT:** Proposed Updates to Chapter 13, Article II of the Code of Ordinances Pertaining to Tobacco.

**PURPOSE:** To provide applicants a mechanism for an administrative appeal of a tobacco license denial based upon the applicant's criminal history.

**BACKGROUND:** The code of ordinances requires applicants to "pass" a background check prior to the issuance of a tobacco license. The city treasurer currently reviews the tobacco license applicant background checks to determine if the applicant is of good character and reputation and is a suitable person to be entrusted with the sale of tobacco products. There is currently no process for an applicant to appeal the decision of the city treasurer if the license is denied based on the criminal history of the applicant.

**DISCUSSION:** The code of ordinances currently prohibits the city treasurer from issuing a tobacco license to the following: 1) a person who has been convicted of a felony; 2) a person who has been convicted of possession or sale of tobacco, alternative nicotine product or vapor products or has forfeited his bond

to appear in court to answer to any charges for any violation; 3) a person who within one (1) year of application for a tobacco license has been convicted of, plead guilty to, or been placed on supervision for any tobacco, alternative nicotine product or vapor product related offense as they are by default considered not of good character and reputation. The proposed amendment provides a mechanism for those applicants with a prior criminal history that precludes them from receiving a tobacco license to appeal the denial of a tobacco license based on their criminal history.

**IMPACT STATEMENT:**

The proposed changes will make this section of the Code of Ordinances consistent with other sections of the Code of Ordinances that provide a mechanism for those to appeal a denial of a tobacco license based on a negative criminal history.

**RECOMMENDATIONS:**

Staff recommends that this ordinance be adopted.
