SUBJECT:

An Ordinance Approving the City of Aurora Cross Street Tax Increment Financing District Redevelopment Project Area Redevelopment Plan and Project.

PURPOSE:

The Cross Street Tax Increment Financing District ("TIF District") is being created to support the JH Real Estate Development at 110 Cross Street. Staff has been working with our consultants, Ryan LLC, and Klein, Thorpe and Jenkins, Ltd (KTJ) to assist with the creation of the referenced TIF District. The Ordinance is the first one of three that will enable the City to create the TIF District that will support the mixed-use development at 110 Cross Street, as approved by the City Council in a previously approved Redevelopment Agreement in March 2023.

BACKGROUND:

The creation of this TIF District is part of an existing RDA approved with resolution R23-076 on March 14, 2023, between the City of Aurora and a private developer for the redevelopment of the long vacant real estate at 110 Cross Street.

110 Cross is a historic building purchased about 4 years ago by JH real estate.

Plans to renovate the building have been in the works since then including the recruitment of the well-regarded Foreign Exchange Brewing company.

DISCUSSION:

The creation of the Cross Street TIF District will be accomplished through a multi-step process that also entailed holding of a Public Hearing (August 8, 2023, City Council Meeting), and the adoption of three separate ordinances to create the Cross Street TIF District.

IMPACT STATEMENT:

The adoption of this ordinance will allow for the next steps in the creation of the Cross Street TIF District to be completed.

RECOMMENDATIONS:

Staff recommends the approval of the ordinance approving the City of Aurora Cross Street Tax Increment Financing District Redevelopment Project Area.

; and

WHEREAS, pursuant to the TIF Act, the City has waited at least 14 days, but not more than 90 days, from the Public Hearing date to introduce this Ordinance approving the TIF Plan; and

WHEREAS, the TIF Plan sets forth the conditions in the Redevelopment Project Area qualifying the Redevelopment Project Area as a vacant blighted area, and the Mayor and City Council have reviewed testimony concerning said conditions presented at the Public Hearing and are generally informed of the conditions causing the Redevelopment Project Area to qualify as a vacant blighted area, as that term is defined in Section 3 of the TIF Act; and

WHEREAS, the Mayor and City Council have reviewed the conditions pertaining to the lack of private investment in the Redevelopment Project Area to determine whether private development would take place in the Redevelopment Project Area as a whole without the adoption of the TIF Plan; and

WHEREAS, it is the intent of the Mayor and City Council to utilize the tax increment from all sources authorized by law; with such revenues to be exclusively utilized for the development of the TIF Plan within the Redevelopment Project Area (except as provided in 65 ILCS 5/11-74.4-4(q), as incorporated into the TIF Plan budget of estimated redevelopment project costs); and

WHEREAS, the Redevelopment Project Area would not reasonably be redeveloped without the use of such incremental revenues; and

WHEREAS, the Mayor and City Council have reviewed the conditions pertaining to real property in

the Redevelopment Project Area to determine whether contiguous parcels of real property and improvements thereon in the Redevelopment Project Area would be substantially benefited by the TIF Plan improvements;

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Aurora, Illinois, as follows:

SECTION 1: That the recitals above are incorporated into Section 1 of this Ordinance.

SECTION 2: That the Mayor and City Council hereby make the following findings:

A. The area constituting the Redevelopment Project Area is described and depicted as set forth in the attached Exhibit A-1 and Exhibit A-2;

B. There exist conditions which cause the area proposed to be designated as the Redevelopment Project Area to be classified as a vacant blighted area, as that term is defined in Section 3 of the TIF Act;

C. The Redevelopment Project Area on the whole has not been subject to growth and redevelopment through investment by private enterprise and would not be reasonably anticipated to be redeveloped without the adoption of the TIF Plan;

D. The Redevelopment Project Area would not reasonably be redeveloped without the tax increment derived from real property tax incremental revenues, and the increment from such revenues will be exclusively utilized for the redevelopment as outlined in the TIF Plan within the Redevelopment Project Area (except as provided in 65 ILCS 5/11-74.4-4(q), as incorporated into the TIF Plan budget of estimated redevelopment project costs);

E. The TIF Plan conforms to the City's Comprehensive Plan for the development of the City as a whole;

F. The parcels of real property in the Redevelopment Project Area are contiguous and only those contiguous parcels of real property and improvements thereon which will be substantially benefited by the TIF Plan are included in the Redevelopment Project Area;

G. The estimated date for final completion of the TIF Plan is December 31st of the year in which the payment to the City Treasurer is made with respect to ad valorem taxes levied in the twenty-third (23rd) calendar year after the year in which the ordinance approving the Redevelopment Project Area is adopted, which, as to the TIF District, is December 31, 2047; and

H. The estimated date for retirement of obligations incurred to finance TIF Plan costs is not later than December 31st of the year in which the payment to the City Treasurer is made with respect to ad valorem taxes levied in the twenty-third (23rd) calendar year after the year in which the ordinance approving the Redevelopment Project Area is adopted, which, as to the TIF District, is December 31, 2048.

SECTION 3: That the TIF Plan attached hereto as Exhibit B and made a part hereof is hereby adopted and approved.

SECTION 4: That this Ordinance will be in full force and effect from and after its adoption, approval and publication in pamphlet form as provided by law.

SECTION 5: That if any section, paragraph, clause, or provision of this Ordinance is held invalid, the invalidity thereof will not affect any of the other provisions of this Ordinance.

SECTION 6: That all ordinances or parts of ordinances in conflict herewith are, to the extent of such conflict, hereby repealed.
