SUBJECT:

A Resolution Approving the Final Plat of Resubdivision of Lot 1 of Meridian Business Campus, Phase 2 Unit 4 for the property generally located at the northwest corner of Liberty Street and State Route 59 (Aurora Wild Fork Route 59 Retail, LLC - 23-0644 / NA16/4-23.391 - Fsd - JS - Ward 10)

PURPOSE:

The Petitioner, Aurora Wild Fork Route 59 Retail, LLC, is requesting approval of a Final Plat for the Resubdivision of Lot 1 of Meridian Business Campus, Phase 2, Unit 4 located at 956 North State Route 59

BACKGROUND:

The Subject Property is zoned B-2(C) Business District - General Retail with a Conditional Use Planned Development. Additionally, this property is located in the Meridian Business Campus Development District. The property is developed as a commercial center containing one large tenant, At Home, with associated parking. Additional information regarding the surroundings can be found in the attached property maps.

The Petitioner is requesting approval of a Final Plat for Meridian Business Campus Phase 2 Unit 4. The proposed outlot currently consists of the existing overflow parking for the current tenant (At

Home), with the intent for the new lot to be developed as another commercial property. Wild Fork Foods plans to purchase the newly created lot to create a two-tenant commercial building. While a buyer and tenant have been proposed, this is solely the Final Plat, with the Final Plan coming after this approval. Cross access easements are proposed throughout the newly created lot to assure traffic is able to move freely between developments.

DISCUSSION:

Staff has reviewed the Final Plat Resolution petition and have sent comments back to the petitioner on those submittals. The petitioner has made the requested revisions to these documents, and they now meet the applicable codes and ordinances, with the exception of the items reflected in the conditions listed in the Staff Recommendation below.

POLICIES AND GUIDELINES:

The Staff's Evaluation and Recommendation are based on the following Physical Development Policies:

- 10.0 To provide for the orderly, balanced and efficient growth and redevelopment of the City through the positive integration of land use patterns, functions, and circulation systems. To protect and enhance those assets and values that establishes the desirable quality and general livability of the City. To promote the City's position as a regional center.
- 11.1 (5) To guide and promote development to areas where public utilities, public roads and municipal services are either available or planned.
- 11.1 (3) To encourage new development contiguous to existing development.

RECOMMENDATIONS:

Staff would recommend **CONDITIONAL APPROVAL** of the A Resolution Approving the Final Plat of Resubdivision of Lot 1 of Meridian Business Campus, Phase 2 Unit 4 for the property generally located at the northwest corner of Liberty Street and State Route 59, with the following conditions:

- 1.) That the documents be revised to incorporate the comments of Engineering and Zoning and Planning Staff
