**TO:** Mayor Richard C. Irvin  
**FROM:** Aurora Police Department Traffic Division  
**DATE:** September 8, 2023  
**SUBJECT:** A Resolution amending R20-272, regarding maximum tow and storage charges for the City of Aurora.

**BACKGROUND:**  
Chapter 46 of the City of Aurora Code of Ordinances calls for the city to maintain a "Tow Roster" (Sec. 46.4) of firms who have been selected and designated to provide services for the Aurora Police Department. Firms are required to apply and meet specific requirements in order to work with the city. The city in turn is responsible for setting and maintaining the fees firms are allowed to charge for services.

In early 2019, the City of Aurora passed Resolution R19-008 (attached), amending the maximum fees which may be charged by any tow company permitted to tow for the City of Aurora. Prior to that, the last time the fees were amended was in 2008 (R08-250, attached) in spite of the Resolution calling for a review and adjustment as needed every two years. The fees implemented in 2019 were not increased in 2021, this item does propose some changes over the next two year period.

**DISCUSSION:**  
As directed by the Resolution, the Traffic Division has reviewed the fees approved by the City Council in 2019, and would like make the changed outlined below and in Exhibit A.

**Proposed Tow Rates and Storage Fees**
