TO: Mayor Richard C. Irvin

FROM: Giovanni Santana, Superintendent of Parks & Recreation

DATE: November 20th, 2023

SUBJECT:
2023 Parks mowers procurement

PURPOSE:

To ensure that the City's Park divisions have adequate mowers to perform their missions safely, efficiently, and effectively.

BACKGROUND:

Two of the large-scale mowers assigned to the Parks and Recreation Division have been in service for over 20 years. Due to diminishing reliability, increased downtime, and accumulating maintenance expenses, both mowers are approved for replacement in the City's 2023 Budget.

Advancements in technology have introduced new features and safety measures that are absent in the existing mowers. The acquisition of modern large area mowers such as the Toro Groundmaster 5900 and 4000-D, will not only enhance operational efficiency, but also take advantage of the Tier IV emissions standards, and prioritize the safety of our maintenance personnel.

Due to ongoing global supply chain issues and labor shortages, equipment manufacturers have drastically reduced or delayed equipment production. The bulk of equipment manufactured this year

was allotted to fill orders placed in 2022 and various product lines were not available for new orders.

DISCUSSION:

The City participates in Sourcewell (formerly known as the National Joint Purchasing Cooperative) for the purchase of replacement and additional vehicles. This program bids vehicles for purchase, which allows the City to satisfy our own bidding process with less effort, and use a greater purchasing power to get lower prices.

Toro, a reputable manufacturer of landscape maintenance equipment, has begun accepting orders for the next wave of mower production which is tentatively scheduled to commence early in 2024.

In order to secure our place in the production que, the Parks Maintenance Division is requesting authorization to place orders for both mowers from Reinders Inc., which is an authorized Toro distributor, for \$231,716.42, using Sourcewell contract# 031121-TTC.

A list of mowers to be procured, funding sources, proposals, and images of the proposed units are attached.

Funding to satisfy the cost of the requested mowers has been carried over to be available in the 2024 budget with specific allocation in the following accounts: 340-4440-451.63-33 (\$76,100.00), 340-4440-451.74-33 (\$157,700.00),

IMPACT STATEMENT:

NA

RECOMMENDATIONS:

I recommend that the City Council adopts a resolution authorizing the purchase of two (2) replacement mowers, from Reinders Inc., through Sourcewell, for \$231,716.42.

cc: Infrastructure and Technology

CITY OF AURORA, ILLINOIS

RESOLUTION NO. _____
DATE OF PASSAGE _____

A Resolution authorizing the purchase of two (2) replacement mowers, from Reinders Inc., through Sourcewell, for \$231,716.42.

WHEREAS, the City of Aurora has a population of more than 25,000 persons and is, therefore, a home rule unit under subsection (a) of Section 6 of Article VII of the Illinois Constitution of 1970; and

WHEREAS, subject to said Section, a home rule unit may exercise any power and perform any function pertaining to its government and affairs for the protection of the public health, safety, morals,

and welfare; and

WHEREAS, Two of the large-scale mowers assigned to the Parks and Recreation Division have been in service for over 20 years. Due to diminishing reliability, increased downtime, and accumulating maintenance expenses, both mowers are approved for replacement in the City's 2023 Budget; and

WHEREAS, the City participates in Sourcewell (formerly known as the National Joint Purchasing Cooperative) for the purchase of replacement and additional vehicles. This program bids vehicles for purchase, which allows the City to satisfy our own bidding process with less effort, and use a greater purchasing power to get lower prices; and

WHEREAS, the Parks Maintenance Division is requesting authorization to place orders for both mowers from Reinders Inc., which is an authorized Toro distributor, for \$231,716.42, using Sourcewell contract# 031121-TTC; and

WHEREAS, funding to satisfy the cost of the requested mowers has been carried over to be available in the 2024 budget with specific allocation in the following accounts: 340-4440-451.63-33 (\$76,100.00), 340-4440-451.74-33 (\$157,700.00); and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Aurora, Illinois, as follows: authorizing the purchase of two (2) replacement mowers, from Reinders Inc., through Sourcewell, for \$231,716.42, which is hereto and made a part of and that the Purchasing Director is hereby authorized to issue the necessary purchase orders.
