SUBJECT:

A resolution approving the acceptance of a donation from The Huntington Foundation, in the amount of \$40,000, for the Aurora Financial Empowerment Center.

PURPOSE:

To obtain the City Council's approval to accept a grant from The Huntington Foundation in the amount of \$40,000 to assist with operational costs for the Aurora Financial Empowerment Center (FEC).

BACKGROUND:

In 2019, the City of Aurora applied for grant funds to launch the Aurora Financial Empowerment Center, a part of a growing network of FEC's embedded in local governments across the country, committed to providing free, one-to-one financial counseling, delivered by professionally trained counselors, to low-and-moderate income residents. The Aurora FEC has been successful in its first three years. Therefore, the City of Aurora has maintained a contract with The Neighbor Project, with an annual extension through 2024, to continue to provide financial counseling to the community to improve the quality of life of Aurora area residents.

DISCUSSION:

The contractual services and other direct costs for The Financial Empowerment Center are funded

through grants, sponsors and fundraising. The contractual service amount for 2023, paid to The Neighbor Project, providing Aurora FEC services, is \$383,000. The Huntington Foundation expresses its willingness to financially support the vision and efforts of the Aurora Financial Empowerment Center by contributing to its operational costs.

The successes and sustainability of the FEC have led to the City of Aurora approving a contract with The Neighbor Project to continue providing financial counseling services and programming. Aurora FEC counselors have steadily increased their caseloads and outcomes, providing counseling services to low- and moderate-income residents, and referring clients to partner agency services.

There is a growing need for financial counseling services, especially for residents in that need to secure permanent housing, pay for increased household costs, secure their children’s college savings, and to improve their financial stability. Aurora FEC has expanded its services to include an additional counselor and a part-time administrative assistant through The Neighbor Project, while also providing additional financial programming to engage families in college savings.

Revenue Account number 101-1301-337-30-04

Expenses are budgeted for these services in account 101-1304-419.32-20 in the amount of \$200,000 for 2023. In addition, \$55,000 in Community Development Block Grant funds has been allocated in 2023 and the fiscal agent is holding approximately \$100,000 in the event there are additional 2023 expenses.

IMPACT STATEMENT:

The proposed resolution presents an opportunity to continue funding the successful operation of the Financial Empowerment Center. The operational costs will include the contractual amount between the City of Aurora and The Neighbor Project.

RECOMMENDATIONS:

Approval is requested to accept Huntington Foundation grant funds in the amount of \$40,000 for the operational costs of the Aurora Financial Empowerment Center.
