TO: Mayor Richard C. Irvin

FROM: Jason Bauer, P.E. - Assist. Dir. Of Public Works - Assist. City Engineer

DATE: May 28, 2024

SUBJECT:

A Resolution to accept the public improvements and waive the maintenance security for the completed Chick-Fil-A Drive Thru Expansion, 2021.131, 4435 Fox Valley Center Dr, in Aurora, Illinois Ward 10.

PURPOSE:

To accept the public improvements installed by the Developer of this project and to waive the normally required, one year maintenance security for these improvements.

BACKGROUND:

This is a commercial development that redeveloped an existing commercial site's private parking lot and drive thru with very minimal public improvements constructed. In accordance with Section 43-55 (a)(3) of Aurora's Municipal Code, the Developer of the Project posted a security to ensure completion of these improvements including, earthwork, erosion and sediment control and storm sewer.

DISCUSSION:

This development has now completed all installations, inspections and submissions that make it eligible to be recommended by the Engineering Division for final acceptance of these improvements. As required by Section 43-103(c) of the Municipal Code, the Engineering Division has reviewed, approved, and filed as-constructed record plans for the development which depict these limited public improvements and has completed and approved a final site inspection of said improvements via our onsite consultant. Based on our review and approved site inspection, it is recommended by the Engineering Division, that City Council accept the public improvements. All improvements were installed over a year ago and the length of time that has passed since these overall improvements were completed we also recommend that the normally required one year maintenance security be waived, and the original security posted for the site be returned.

IMPACT STATEMENT:

This action did not add or replace any public infrastructure.

RECOMMENDATIONS:

Approve the acceptance of improvements and waiving the one year maintenance security for Chick-Fil-A Drive Thru Expansion.
