File #: 17-00406, Version: 1

TO: Mayor Richard C. Irvin

FROM: Joseph Hopp, Superintendent of Maintenance Services

DATE: May 3, 2017

SUBJECT:

Request to accept the low bid from Schroeder Asphalt Services, P.O. Box 831, Huntley, IL 60142 for the site and parking lot improvements of the M-lot that is located at 50 N. LaSalle adjacent to the Aurora Historical Fire Museum in the amount not to exceed \$115,000.00.

PURPOSE:

To improve the LaSalle street scape, green space and resurfacing of the M-lot.

BACKGROUND:

The M parking lot was scheduled for resurfacing in 2017. In addition, the parking lot will have drainage and base improvements. LaSalle Street's west sidewalk will be replaced from the M-lot's south entrance to the Central Fire Station truck entrance. The space between the M-lot and Central Fire Station lot will be cleared of construction debris, back filed with soil and seeded. This will be a green space in the CBD.

DISCUSSION:

Four contractors bid on this project. Schroeder Asphalt Services was the lowest compliant bidder. Schroeder has been used in the past and their work has met our expectations.

Account 520-4432-437.38-05 has funds reserved for this project.

IMPACT STATEMENT:

The M-lot will be closed during the construction. This is a 10-hour parking lot so no permits are sold. Any users will have to park in the other 10-hour lots in the CBD during construction.

RECOMMENDATIONS:

I'm requesting the approval to accept the low bid from Schroeder Asphalt Services, P.O. Box 831, Huntley, IL 60142 for the site and parking lot improvements of the M-lot that is located at 50 N. LaSalle adjacent to the Aurora Historical Fire Museum in the amount not to exceed \$115,000.00.
