File #: 23-0874, Version: 1

TO: Mayor Richard C. Irvin

FROM: Alex Voigt, Deputy Chief of Staff

DATE: October 25, 2023

SUBJECT:

To obtain City Council approval of the city's "Arboricultural Specification Manual" as referenced in Chapter 47 of the Code of Ordinances.

BACKGROUND:

This document accompanies Legistar File 23-0872, the proposed updates to Chapter 47. In the process of updating Chapter 47 entitled "Trees, Shrubs and Weeds", there were a number of references to the "Arboricultural Specifications Manual". A document from 2008 that does not appear to have been approved by the City Council was located and updated in concert with the proposed changes to Chapter 47.

DISCUSSION:

The updates to the document followed the updates to Chapter 47. Involved in the review process were:

- A sub-group of the Tree Board, all certified arborists:
 - Cathy Hayen
 - Bill Chinetti
 - Nick Day
- The Tree Board
- Public Works/Engineering
- Streets

The changes proposed are in concert with the proposed updates to Chapter 47. Upon approval, this document will be made available on the Tree Board section of the city website, along with other resources the board has created for the public. This document will also be used by city staff in terms of the guidelines provided.

IMPACT STATEMENT:

Approval of this document will have a positive impact on city operations and information available to the public.

RECOMMENDATIONS:

Staff respectfully requests approval of this resolution.
