SUBJECT:

A Resolution Approving the City of Aurora 2nd Program Year (2016) Consolidated Annual Performance Evaluation Report (CAPER) for the Federal Community Development Block Grant (CDBG) and HOME Investment Partnership Act Programs (HOME).

PURPOSE:

Staff is requesting authorization to submit the 2016 Consolidated Annual Performance Evaluation Report (CAPER). The CAPER reviews the past program year's performance of the City's federally funded Community Development Block Grant (CDBG) and HOME Investment Partnership Act programs in the areas of accomplishments, populations served, and demographics, and reports these findings to the U.S. Department of Housing and Urban Development (HUD) to assist with the federal appropriations process. The CAPER is due for submittal to the HUD by March 30, 2017.

BACKGROUND:

As a HUD entitlement community, the City of Aurora is required to comply with the various aspects of the Consolidated Planning process - including submittal of an Annual Action Plan prior to each program year, and a retrospective CAPER detailing the accomplishments achieved in the past

program year. The attached draft CAPER report details accomplishments made during the Second Program Year (2016) of the City's 5-year Consolidated Plan (2015-2019) for federal funding. The CDBG and HOME programs assisted approximately 26,636 low to moderate income Aurorans in the 2016 program year.

DISCUSSION:

The CAPER summarizes the City of Aurora's progress toward meeting the housing and community development needs as outlined in the Consolidated Plan. The attached CAPER report outlines the 2016 program year expenditures and accomplishments of all activities that support the Consolidated Plan.

In accordance with the City of Aurora's Citizen Participation Plan and the requirements of HUD entitlement program funding, effective February 12, 2017, the City's draft 2016 CAPER became available for review and public comment. The Block Grant Working Committee recommended the Draft on February 1, 2017. A public hearing is scheduled for February 27, 2017 to provide an opportunity for interested persons to comment on the 2016 CAPER.

IMPACT STATEMENT:

The approval and filing of this report should have no impact.

RECOMMENDATIONS:

Staff recommends approval of a Resolution authorizing approval of the City of Aurora's Second Program Year (2016) Consolidated Annual Performance Evaluation Report (CAPER) that the Mayor and Chief Community Services Officer be authorized to sign any documents related to this report submission.
