SUBJECT:

An Ordinance Granting a Special Use Permit for an Educational Services (6100) Use on the Property located at 250 and 254-300 E. Indian Trail Road being the north side of Indian Trail Road between Aurora Avenue and Mitchell Road (East Aurora School District #131 - 17-00284 / AU10/4-17.007-Su - JM - Ward 1)

PURPOSE:

The Petitioner East Aurora School District #131 is Requesting approval of a Special Use for an Educational Services (6100) Use located at 250 and 254-300 E. Indian Trail Road being the north side of Indian Trail Road between Aurora Avenue and Mitchell Road.

BACKGROUND:

The Subject Properties are currently a mixture of Commercial and Public School with B-2(S) General Retail and B-2 General Retail zoning. Additional information on the legislative history of the properties can be found in the attached Property Information Sheets.

The Petitioner is Requesting approval of a Special Use for an Educational Services (6100) Use on both properties. The details of the request include expanding East Aurora School District's early childhood program into additional space at 254-300 E. Indian Trail. Currently they occupy tenant space of approximately 9,800 square feet for a half-day program. They are proposing to convert the adjacent tenant space to classrooms adding approximately 18,500 square feet. The project includes interior renovations as well as creating a bus drop-off in front of the building and a parent drop-off behind the building. Parking will be reconfigured in the rear for faculty but the remainder of the parking will be unchanged. Staff is working with the applicant to alter the circulation for both properties to be one-way around both buildings going clockwise. Parents for both sites would proceed to the far west of the site and drive around both buildings. A pull-off will be provided at each site, allowing others to bypass the stopped cars. This configuration along with adding full-day status and additional busing should provide sufficient stacking to alleviate backup. The School District will continue leasing the building with future plans to possibly purchase. A 10' city easement is being requested along E. Indian Trail for a future bike path.

With the expansion of the above property, the Special Use is also being requested for 250 E. Indian Trail. The property was converted to a kindergarten center in 2013 but at that time, the school district did not have to go through a zoning process.

DISCUSSION:

Staff has reviewed the Special Use petition and have sent comments back to the petitioner on those submittals. The petitioner has made the requested revisions to these documents and they now meet the applicable codes and ordinances, with the exception of the items mentioned in the Staff Recommendation listed below.

Public Input: Due public notice was given for the public hearing on this matter. As of the date of this memo, staff has not received public inquiries regarding this petition.

POLICIES AND GUIDELINES / IMPACT STATEMENT :

The Staff's Evaluation and Recommendation are based on the following Physical Development Policies: / section(s) of the City of Aurora Historic Districts and Landmarks Guidelines:

11.0 To guide the growth of the City in an orderly and structured manner.

11.1(5) To guide and promote development to areas where public utilities, public roads and municipal services are either available or planned.

12.0 To plan and provide for the growth of the city through the integration of land use patterns and functions that promotes complementary interactions between different land use components.

Indian Trail Road being the north side of Indian Trail Road between Aurora Avenue and Mitchell Road, with the following conditions:
