TO: Mayor Robert J. O'Connor

FROM: Bill Wiet, Chief Development Services Officer

DATE: 4/18/17

SUBJECT:

A Resolution consenting to the assignment of an aviation operating agreement at the Aurora Municipal Airport between the City of Aurora and TEAM Advantage Inc.

PURPOSE:

To obtain City Council approval; of an assignment of an aviation operating agreement between the City of Aurora and TEAM Advantage.

BACKGROUND:

TEAM Advantage Inc. is seeking to move its base operations to the Aurora Airport. They provide aircraft maintenance and other related services to some clients already located at the Aurora Airport. The Aurora Airport Advisory Board unanimously voted to approve this request and the attached contract which was drafted by an attorney commissioned by the City. This company has an excellent reputation and is known to individuals and businesses at the airport.

DISCUSSION:

As is standard, TEAM Advantage Inc. would pay a percentage of their annual revenue to the City of Aurora as outlined in the attached contract. A move to the Aurora Airport will allow them to better serve existing clients, based at Aurora. It is also anticipated that that by granting this agreement, their business will help to maintain or increase the level of fuel purchased at the airport.

IMPACT STATEMENT:

TEAM Advantage Inc. is not seeking to provide on-call services to general airport users and would not negatively impact existing businesses.

RECOMMENDATIONS:

I concur with the Advisory Board's recommendation to approve this agreement.
