SUBJECT:

An Ordinance Calling for a Public Hearing and a Joint Review Board Meeting to Consider the Designation of a Redevelopment Project Area and the Approval of a Redevelopment Plan and Project for the City of Aurora (Galena Broadway Tax Increment Financing District).

PURPOSE:

The City is proceeding with the creation of additional "micro" TIF Districts in the downtown area. The Ordinance would start the process of creating another TIF District in the downtown area, to be known as the "Galena Broadway TIF District." The Ordinance sets dates for a Joint Review Board meeting and a public hearing, and calls for the notices to be given in connection with the meeting and public hearing.

BACKGROUND:

Redevelopment of the City's downtown is a high priority. The City has aggressively pursued redevelopment in the downtown area, and an existing Downtown TIF District has been used to incentive redevelopment. The Downtown TIF District is nearing the end of its twenty-three (23) year

term. Additional redevelopment opportunities have been secured for the downtown area that require assistance beyond the term of the Downtown TIF District. As such, the City has pursued the strategy of creating micro TIF Districts from properties within the existing Downtown TIF District, to support certain redevelopment opportunities that would otherwise not occur, but for the City's assistance with a new TIF District.

DISCUSSION:

The City approved a Redevelopment Agreement with Urban Equity Properties (UEP) Aurora LLC, calling for the redevelopment of property in the area of Galena Boulevard and Broadway Street, with the development of 20 apartments plus 3,500 square feet of restaurant space at the property located at 2 North Broadway, known as "Terminal" building; and 30 apartments plus upgrading the retail spaces at the ground level of the property located at 30 S. Stolp Avenue, known as the "Keystone" building. The Redevelopment Agreement calls for the City to provide financial incentives to the redevelopment project, including:

- 1) 2 North Broadway, Terminal Building
 - A City grant of \$600,000
 - A Finish Line Grant of \$75,000
 - A short term bridge loan for the City \$ 1, 195,408.24
 - A pay as you go TIF split 80% (Urban) and 20% (City)
- 2) 30 S. Stolp Avenue, Keystone
 - A City grant of \$1,425,000
 - A Finish Line Grant of \$75,000
 - A short term bridge loan for the City \$ 1,706,866.55
 - A pay as you go TIF split 80% (Urban) and 20% (City)

The incentives are to be paid out of a new micro TIF District covering a small area, to be known as the Galena Broadway TIF District.

In order to create the Galena Broadway TIF District, the City Council must first approve the Ordinance, which begins the process. Steps in the process of creating the TIF District include:

1. Adopting the Ordinance
2. Send notices of the Joint Review Board meeting
3. Send notices of the availability of the Eligibility Study and Redevelopment Plan and Project for the TIF District
4. Hold the Joint Review Board meeting
5. Publish and mail notices of the public hearing
6. Hold the public hearing
7. Remove the property needed to create the TIF District from the Downtown TIF District
8. Approve the ordinances creating the TIF District

It is anticipated that the TIF District will be created in early 2020.

IMPACT STATEMENT :

The Designation of a Redevelopment Project Area and the Approval of a Redevelopment Plan and Project for the City of Aurora (Galena Broadway Tax Increment Financing District) would support the downtown core and, aligned with the Downtown Master Plan (O17-080), would "Maximize the rehabilitation of the existing downtown residential spaces through engagements, resources, and support."

RECOMMENDATIONS:

City staff recommends the Ordinance be approved, so that the creation of the Galena Broadway TIF District moves forward.
