SUBJECT:

Ordinance Providing for the Termination of Special Service Area 34D (Misty Creek) in the City of Aurora Established Pursuant to Ordinance No. O99-47 on June 22, 1999.

PURPOSE:

To terminate Special Service Area 34D (Misty Creek) in accordance with the terms of the establishing Ordinance.

BACKGROUND:

Per Ordinance No. O99-47 passed on June 22, 1999, SSA #34D was established as an active SSA to pay for reimbursement for the City's cost of constructing and financing a new elementary school. The Ordinance provided that it would levy taxes for twenty (20) years to pay for the costs of these improvements. The improvements are paid for and the SSA is no longer required.

DISCUSSION:

Since improvements that were to be funded through the SSA are paid for, this SSA can be terminated.

IMPACT STATEMENT:

There is no immediate impact as the City will not be passing a levy this year to tax these property owners on next year's tax bill. This Ordinance will terminate the existing SSA on the chain of title for existing property owners.

RECOMMENDATIONS:

Place on Infrastructure & Technology Committee Calendar (11/25/19) Agenda) for approval to City Council.
