DATE: June 24, 2022

SUBJECT:

An Ordinance Approving a Revision to the West Aurora Plan Description on 3 Acres for Property Located at Lot 6 of the West Aurora Plaza Resubdivision (Hounds Town USA - 22-0424 / AU18/4-22.159-CUPD - SB - Ward 5)

PURPOSE:

The Petitioner, Hounds Town USA, is requesting approval of a Plan Description Revision of the West Aurora Plaza Planned Development District for Lot 6 of the West Aurora Plaza Resubdivision, which includes revising the West Aurora Plaza Plan Description to allow for up to one (1) Kennel with Outdoor Pens and Runs (2710) use on the Subject Property.

BACKGROUND:

The Subject Property is currently zoned B-2(C), Business District - General Retail with a Conditional Use Planned Development. The West Aurora Plaza Plan Description was approved as O18-053 on June 26, 2018. The West Aurora Plaza Resubdivision was approved per R18-145 on June 26, 2018. This is Lot 6 of the West Aurora Plaza Resubdivision. There are four buildings on Lot 6: 1981-1989

W. Galena Boulevard, 2005 W. Galena Boulevard, 2009 W. Galena Boulevard, and 2011 W. Galena Boulevard. The property with the address 2011 W. Galena Boulevard is a former drive-through restaurant, which has fifty-nine (59) associated striped parking spaces.

The Petitioner, Hounds Town USA, is requesting approval of a Plan Description Revision of the West Aurora Plaza Planned Development District for Lot 6 of the West Aurora Plaza Resubdivision. The details of the request include changing the West Aurora Plaza Plan Description to allow for up to one (1) Kennel with Outdoor Pens and Runs (2710) use on only Lot 6. The Plan Description that was approved per O18-053 is to otherwise remain intact, meaning that this Plan Description Revision is only for Lot 6 of the West Aurora Plaza Resubdivision.

The Petitioner's business is intending to construct the outdoor pen on the west side of the building with the address 2011 W. Galena Boulevard. Since early 2021, the Petitioner has undertaken efforts to remodel the building's interior for grooming and boarding services for cats and dogs, which is a permitted use in this zoning district. With this proposal, the Petitioner is expanding the business's scope of services to include an outdoor pen for the animals that is approximately two thousand (2,000) square feet. The outdoor pen is to be constructed on the west side of the existing building over part of the drive-through and adjacent drive aisle, and will also incorporate existing features of the building. The provided site plan is showing forty-five (45) parking spaces on the Subject Property once construction of the outdoor pen is complete.

DISCUSSION:

Staff has reviewed the Conditional Use Ordinance - Planned Development petition and have sent comments back to the petitioner on those submittals. The Petitioner has made the requested revisions to these documents and they now meet the applicable codes and ordinances.

Public Input: Due public notice was given for the public hearing on this matter. As of the date of this memo, Staff has received one public inquiry regarding the nature of this petition.

Findings of Fact:

1) Will the establishment, maintenance or operation of the Conditional Use be unreasonably detrimental to or endanger the public health, safety, morals, comfort, or general welfare?

Staff does not believe that the establishment, maintenance or operation of the Conditional Use will be unreasonably detrimental to or endanger the public health, safety, morals, comfort or general welfare.

2) Will the Conditional Use be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted or substantially diminish and impair property values within the neighborhood; factors including but not limited to lighting, signage and outdoor amplification, hours of operation, refuse disposal areas and architectural compatibility and building orientation?

Staff does not believe that the Conditional Use will be injurious to the use and enjoyment of other properties within the immediate vicinity. The Petitioner has prepared a proposal that limits the impact of the outdoor animal enclosure on the surrounding residential and commercial properties through the enclosure's screening and location on the property, and by also limiting outdoor activities to daylight hours.

3) Will the establishment or the Conditional Use impede the normal and orderly development and

improvement of surrounding property for uses permitted in the district?

Staff does not believe that this proposal will at all impede the normal and orderly development and improvement of surrounding property for uses in the district.

4) Will the proposal provide for adequate utilities, access roads, drainage, and/or other necessary facilities as part of the Conditional Use?

Staff does not believe that the proposal will have a significant enough impact on the existing, adequate utilities, access roads, drainage, and/or other necessary facilities.

5) Does the proposal take adequate measures, or will they be taken to provide ingress and egress so designed to minimize traffic congestion in the public streets?

Staff believes that, because the property is already built out, that the proposal takes adequate measures to minimize traffic congestion in the public streets.

6) Does the Conditional Use in all other respects conform to the applicable regulations of the district in which it is located, except as such regulations may in each instance be modified by the City Council pursuant to the recommendations of the commission?

Staff believes that the Conditional Use, in all other respects, does conform to the applicable regulations of the district in which it is located.

POLICIES AND GUIDELINES:

The Staff's Evaluation and Recommendation are based on the following Physical Development Policies:

- 31.1 (5): To promote the vitality of existing commercial centers within the commercial hierarchy.
- 32.1 (3): To minimum the adverse effects of commercial activity on neighboring development, particularly residential and open space areas through the provision of buffering land uses and/or screening.
- 51.1 (3): To actively promote and pursue the retention of businesses and industries presently located within the City of Aurora.

RECOMMENDATIONS:

The Planning and Zoning Commission recommended APPROVAL of the ordinance approving a revision to the West Aurora Plan Description on 3 acres for Lot 6 of the West Aurora Plaza Resubdivision.
