TO: Aurora City Council

FROM: Alex Voigt, Asst. Chief of Staff

DATE: September 8, 2016

SUBJECT:

A resolution in support of Aurora's Military and Veteran Caregivers.

BACKGROUND:

The City of Aurora was recently approached by the Elizabeth Dole Foundation regarding a new initiative, the "Hidden Heroes Campaign". The campaign is seeking to create national awareness and support for the approximately 5.5 million people who provide care to wounded, ill or injured service members or Veterans.

At their June meeting, the US Conference of Mayors voted to adopt a resolution encouraging all cities to develop ways to identify, support and recognize caregivers. As of August, twenty-two (22) cities had signed up to participate. The "official" launch date for the campaign is Tuesday, September 27th.

DISCUSSION:

City staff participated in a conference call with representatives from the Elizabeth Dole Foundation to learn more about the campaign and the expectations for participating cities. The first step in the process is for the City of Aurora to pass a resolution formalizing the city's intent. The second step to create a steering committee to assist in creating a process to identify caregivers in Aurora.

The foundation's intent is to create a website that will serve as a resource for caregiver's nationwide, connecting them to available resources and services. The city intends to partner with our Veterans Advisory Council to assist in this process.

CITY OF AURORA, ILLINOIS

RESOLUTION NO. _____

DATE OF PASSAGE _____

A Resolution In Support of Aurora's Military and Veteran Caregivers.

WHEREAS, the City of Aurora has a population of more than 25,000 persons and is, therefore, a home rule unit under subsection (a) of Section 6 of Article VII of the Illinois Constitution of 1970; and

WHEREAS, subject to said Section, a home rule unit may exercise any power and perform any function pertaining to its government and affairs for the protection of the public health, safety, morals, and welfare; and

WHEREAS, the series of wars in which our nation has been engaged over time, since World War II, has resulted in 5.5 million military and veteran caregivers who are parents, spouses, siblings and friends, caring for those wounded, ill or injured who have served our nation, as documented by the 2014 Rand study commissioned by the Elizabeth Dole Foundation; and

WHEREAS, the daily tasks of these military and veterans caregivers can include bathing, feeding, dressing, and caring for the grievous injuries of wounded warriors, administering medications, providing emotional support, caring for the family and the home, and working outside the home to earn essential income; and

WHEREAS, the nation provides multi-faceted support to our wounded, ill and injured veterans and service members through public, private and philanthropic resources, but their caregivers receive little support or acknowledgement; and

WHEREAS, most military and veteran caregivers consider the challenging work they do as simply carrying out their civic and patriotic duty, without realizing they are, in fact, caregivers, and do not identify themselves as such; and

WHEREAS, an alarming number of military and veteran caregivers, according to research, are suffering numerous debilitating mental, physical and emotional effects as a result of their caregiving duties;

WHEREAS, the City of Aurora desires to recognize and support those who are serving in these vital roles in our own community.
