**TO:** Mayor Richard C. Irvin

**FROM:** Anna Payton, Animal Care & Control Director

**DATE:** October 28, 2019

**SUBJECT:**

Resolution to award the bid from Midwest Veterinary Supply, Inc. to supply medication for the Animal Care & Control Division.

**PURPOSE:**

To obtain City Council approval of the bid from Midwest Veterinary Supply, Inc. to supply medication and vaccines for the animals in the care of the Animal Care & Control Division for an initial term ending December 31, 2020 with the option of two 1-year extensions based on mutual consent between the City of Aurora and Midwest Veterinary Supply, Inc.

**BACKGROUND:**

A large volume of vaccinations had been donated in 2016 and 2017, however in 2018 the donations reduced and the costs increased, requiring ratification of this line item expense with the intent of formally bidding the purchases in 2019.

**DISCUSSION:**

As we continue to provide best practices and care to the animals in our shelter, costs continue to rise. In order to be financially responsible, we published a bid for medications which publically opened on September 4, 2019. Although many companies were notified and 20 viewed the solicitation from our website, one company submitted a formal bid and one was disqualified because they did not follow the sealed bid process.

Funds requested for Medications, 101-1845-440.61-26, for the 2020 City Budget is \$30,000.

**IMPACT STATEMENT:**

Providing medication to the animals helps to assure the public the animals are being treated humanely while in our care.

**RECOMMENDATIONS:**

I request approval to award the bid to Midwest Veterinary Supply, Inc. to supply medication with an initial term ending December 31, 2020.
